Dear Primary 2 Parents/Guardians,

Primary 2 would like to invite you to an exhibition of their rockets/space ships.

On: Wednesday 1st May

- At: 9.20am
- In: The school hall (access to the hall will be down the ramp and through the door to the right of the main doors).

You will have the opportunity to view the children's work, and chat to them about how they built their rockets/space ships and the materials they used.

We look forward to seeing you all there.
